REF: A55_J16_SR02_202103232910411

Dear Sir/Madam,

I am writing in response to the information package I recently received, and I require further information.

I would like to know what options are available to me with regards to purchasing my property or any other compensation packages available. I was informed of this by members of the Welsh Government at a recent community public meeting.

I look forward to hearing from you in due course.

Yours sincerely
