I am the owner of on Ysguborwen Road in Dwygyfylchi and this project will have a high impact on my business. Any disruption on this stretch of the A55 and in particular the closure of the roundabout junction 16a whilst the works are carried out, will have an adverse affect on trade. Whilst I appreciate that the project is necessary and will be a welcome improvement to efficiency and safety for the A55, I need to know what financial compensation I could expect the business to receive in view of the large if not complete reduction in trade and the devaluation of the property. I am happy to meet a representative on site to discuss the project, but ultimately we will need a positive resolution to be in a position to survive and continue to serve the community and tourism sector of Conwy. Thank you,
