Hi

I am email you as Vice Chair of the Residents Association. Terminating the meeting so abruptly was total unacceptable We think you should have given us at least an extra half hour in your schedule with 40 questions to answer and probably more to come Also during the meeting the Chair and me had at least 15 phone calls from members unable to access the Webinar We therefore wish to put on record that the constitution was totally unacceptable and wish you to arrange another meeting without dodgy technology May we suggest putting a marquee on the football field so we can have a socially distanced meeting I have c/c Cllr McCaffrey and will be forward this to the WG together with the objection which have I have instructed to send from our 300 members
Yours
