Hi Steve: I forgot to advise in my earlier email, that there is now a virtual exhibition.

The link is <https://a55engagement.gov.wales/exhibition.html>

You can view the proposals in a little more detail.

Yes we fall within 100 meters from proposed works. Just wondering if we need to sign anything. We are not objecting to anything we would just like to know what plans are regarding our property. Will we be receiving more info about our property and what it means to us. Cheers

Hi : What documents did you receive? As I am not party to all that has been issued to the individual properties, it depends on whether your property is directly affected (land to be taken) or you fall within the 100 metre boundary of the proposals. It does vary.

I have included others in the email as they may be able to assist.
